

DEEP TRIGGER SPECIFICATION

Congratulations! Your subconscious “Manchurian Candidate” conditioning is now complete. Naturally you have no memory of this painful process. Under new labor laws, we are required to inform you of the visual cue, or “trigger,” that activates your post-hypnotic response:

[Brainwasher: Please check box(es) of appropriate visual stimulus or stimuli:]

Cat

Hairdresser

Wombat

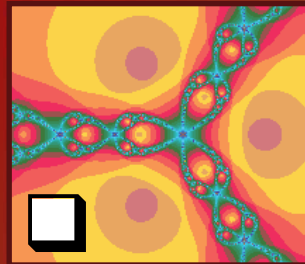

Steve Jobs

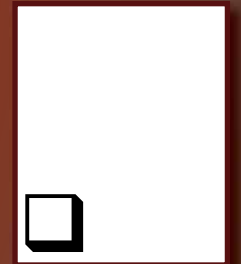

Aurora borealis

**Saturn's moon
Enceladus**

**Newton fractal
($Z^n - 1$) \geq order 3**

Other

By law we must also indicate the likely severity of your implanted reaction:

[Brainwasher: Please mark on Severity Spectrum the appropriate degree of consequence of the subject's reaction:]
